Chapter  VII

Name Ben "Gator" Bailey

Description

Ben Bailey's a fella who loves hisself a good scrap. Don't rightly matter if'n he's punchin' out drunks in a bar room slugfest, divin' in the swamp to put a gator in a chokehold, or layin' the smackdown on some bloodthirsty beastie from the pits of Hell. There ain't no meanness in it--hell, ol' Gator ain't got a mean bone in his body. The boy's just a born brawler. Fell outta his mama with his fists clenched and he ain't opened 'em since.

Stunts

Clear the Room: Because I know how to clear the room, I gain a +2 when I Flashily create advantages or defend when getting innocents or bystanders out of harm's way.

Love a Good Scrap: Because I love a good scrap, I gain a +2 when I Forcefully attack in a hand-to-hand combat situation.

Solid Muscle: Because I am solid muscle, before I mark off any conditions in a fight I can roll a d6 and ignore that many hits from an attack. If I don't absorb all the hits, I must mark off conditions or be taken out. If I do absorb all the hits, I can use this stunt the next time I'm attacked. Once I start marking off conditions I can't use this stunt until I recover the conditions I've taken.
